PROFESSIONAL EXPERIENCE

Marc worked as a market researcher for Capworth Commercial Realty Brokerage Corporation for several years prior to obtaining his license.

As a licensed agent, he now focuses in assisting landlords in leasing their space and selling their properties.

Furthermore, he works with office, industrial and retail tenants in finding the best possible accommodations for them.

Being a full-time member of the Capworth team, Marc strives at leveraging his clients position and obtain the required edge when negotiating on their behalf. His hard work, dedication and passion is earning him great respect towards his clients.
